Belonging, Believing, Becoming.

'To grow a diverse and creative educational community, where we encourage belonging and nurture believing; together becoming fulfilled and responsible members of God's world.'

Dear Parents/Carers,

I hope you all have had a lovely weekend and have kept safe and well.

I would like to say a huge thank you to all the parents/carers that have followed, and are following, the Government guidelines in regards to the beginning and end of the day - it really does make a difference and helps us all to keep safe.

Please see below the wonderful things that have been happening in School.

Thank you for your ongoing support.

Mrs Burrows

Reception

Reception have been learning about sorting objects this week. We collected leaves in the forest area and sorted them into colour, size and shape. Great work Reception!

The Reception Team

Lower KS2

Year Three thoroughly enjoyed our second week at Forest School. We played team-building games, learned new skills such as tying knots for a rope swing and made bows, arrows and swords using sticks, and string. We had so much fun and we are looking forward to next week too!

Mrs Jones and Mrs Kelly

Upper KS2

This week Year 5 had a visit from Mr Bates, who delivered a C.S.I workshop. We used our knowledge of materials and their properties to help solve a mystery. We dusted the scene for fingerprints, examined the evidence and used this to figure out 'whodunnit'. We really enjoyed being forensic scientists for the day! ☺ Mr Bates said that the children were an absolute credit to themselves and the school. Well done Year 5!
