

## LKS2

Year 4 have been learning the rules of tag rugby in P.E. for the last few weeks. They have enjoyed playing games of tag rugby and soon will be completing in a class competition. In English, we have been writing narratives with a twisted ending. Endings included Goldilocks not eating the porridge and reporting the bears for cruelty; Little Red Riding Hood saving granny; Sleeping Beauty being poisoned by the wicked witch, alongside Prince Charming. No happy endings in our class stories!

## Accidents

Starting this week, we have a new system in place to record all bumps and accidents.

## UKS2

Year 6 have been working extremely hard and making Mrs Millen proud. In Science, the children have enjoyed carrying out an experiment to find out the conditions needed for micro-organisms to grow. Two weeks ago, they placed slices of bread into food bags and created a variety of conditions - sealed bags, open bags, a warm environment, the freezer - and this week they have drawn conclusions. The class were pleasantly disgusted to see the results!!

## Birthdays! (12<sup>th</sup>-18<sup>th</sup> October)

Happy Birthday to ...

Martha  
Marley  
Ayraa  
Faith  
Parker  
Alfie  
Jacob

Hope you all have a great day!
