

## EYFS

In Nursery, we have been finding out about trains. We had a special visitor, Mr. Jamieson. He came to talk to us about his job, keeping the railway lines safe. We helped him to tell a story about 'Thomas the Tank' and we used lots of props. Afterwards, we got our own tickets, waited at the station and went on an imaginary journey, to Manchester.

In Reception, the children have been learning about harvest time and have been collecting food for a local charity, Re:dish. The children looked at the food collected and talked about how the food will be used to help others. In Maths, the children have been making different patterns. The children used many different resources, inside and out, to make their own patterns.

## Remembrance Day

All the children have been involved in commemorating Remembrance Day today.

Look out for poppies around School.

## Birthdays! (26<sup>th</sup> Oct - 8<sup>th</sup> Nov)

Happy Birthday to ...

Corey  
Toby  
Callum  
Madison  
Rhys  
Keelan  
Lily  
London  
Jasmine  
Amirah  
Marley

Hope you all have a great day!
