

In Reception, we have started our IEYC topic 'To the Rescue!' We have been learning about superheroes and creating our own masks.

We have also enjoyed reading the story Supertato and helping save the vegetables in our classroom.

Year 4 were busy this week, planning and designing a board game based on the English book 'The Lost Happy Endings'. Lots of discussion and sharing of ideas were evident during lessons.

ANTI-BULLYING WEEK

All the children have been involved in activities relating to Anti-Bullying Week - they have made posters, written poems, discussed cyber-bullying and lots more.
