Dear Parents/Carers,

Thank you for your excellent contributions to the Mrs Burrow's Challenge of 'Belonging' - the children have been really creative and their designs will be displayed in School for all to admire.

If you have not yet returned your creation, please can you do so by next Friday when we finish for half term.

In addition, I would like to say thank you for all the completed questionnaires and the positive comments in them. They really gave the staff in School the boost they needed to know that all their hard work is being appreciated.

Stay safe, take care and have a lovely weekend.

Kind Regards

Mrs Burrows

Please remember that there is always someone to talk to in School; your child's Class Teacher, Mrs McDermott (Child & Family Support Worker), Mrs Charlesworth (SENDCO), Mrs Lancashire (DHT) and Mrs Burrows (HT).

### REMOTE LEARNING

Just to let you know that 100% of children have accessed Home Learning so a huge WELL DONE to everyone!

The staff, parents/carers and children!

## Nursery

It has been a busy and exciting week in Nursery. The children have worked hard; producing great work at home and in school. We have been reading the story, 'Goldilocks and The Three Bears'. The children have completed various challenges; making porridge, learning bear songs, sorting objects by size, finding their way around mazes and researching different types of bears. In Maths, we have continued to add to our number lines and these are looking great. In Phonics, we have been learning about the letter shape 'a'. Well done!

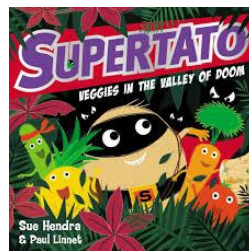

## Lower Key Stage 2

In Year 3 and 4 we have been working so hard at both home and school! We are so impressed with everyone trying their best with their learning. Year three have started a new story this week - The Day the Crayons Quit in English and Year 3 4 D and year 4 W have looked at the Jabberwocky in English. In school, we have made some bunting for the Belonging display and we have also been planting some cress seeds in school and helping them grow by watering them every day.

## Key Stage 1

Year 1 and 2 have been working hard this week, producing good quality work at home or in school. We love to see the work and it is clear how hard they have been working. For our English work this week, we are using a book called 'Supertato - Veggies in the valley of Doom'. The children have made great predictions about this story and have even used their prior knowledge to write instructions for the vegetables to follow to play 'hide and seek'!
