Dear Parents/Carers,

Welcome back everyone!

What a tremendous week we have had in School; all the children have settled extremely well and extremely quickly. Their attitude and behaviour has been excellent and we are all delighted to have them back in School.

Please look at the following pages to see what your children have been involved in this week.

Just to let you know that on rainy days, such as today, children will be allowed in their classrooms earlier than usual. Unfortunately, this did not happen in all classrooms this morning and I would like to apologise for that.

I hope you all have a lovely weekend.

Stay safe and take care.

Kind regards

Mrs Burrows

Dates for your diary

PARENT'S EVENING 2021

Tuesday 27th April & Thursday 29th April

(more information to follow)

BIRTHDAYS (6.3.21-12.3.21)

Happy Birthday to:-

Charlie
Indi
Noah
Maisie
Rosie

Remote Learning

Thank you to everyone who has already returned their school laptop, iPad or Kindle.

Please may I request that all devices are returned to school as soon as possible.

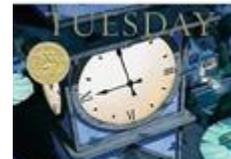

Nursery

This week, it has been lovely to see all the children and welcome new friends too! We have set up a toy shop in the classroom. The children have picked toys to buy, paid for items, made price labels and have taken turns to work on the till. The children have had lots of opportunities to play outside (in between the rain)! The children have created lots of delicious recipes in the mud kitchen, played on the bikes and scooters and used the crates and planks to construct different 'vehicles'. Well done Nursery for settling back so quickly.

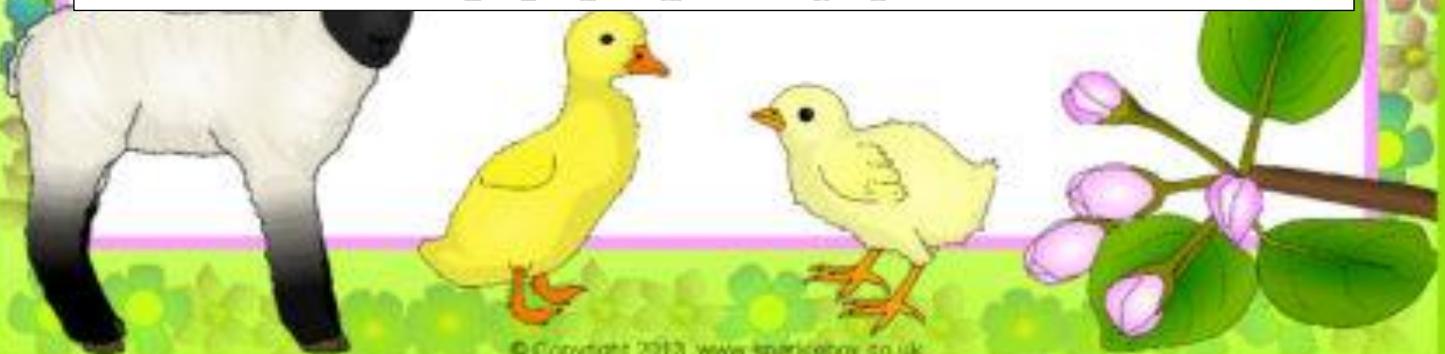

Upper Key Stage 2

What an amazing first week back! The children in Upper Key Stage 2 have amazed their teachers. They have demonstrated an excellent attitude to learning and worked well to produce some superb writing based on the book 'Tuesday' by David Weisner. The week got off to an usual start when the whole Key Stage was invaded by lily pads and frog slime! The children developed their inference skills and made predictions about what might possibly happen in the story. Every child worked hard to write a recount of the flying frogs' adventures

Lower Key Stage 2

We were extremely pleased to see all the children return with their smiling faces, eager to learn. What a week they have had! We started the return to school by introducing a book called, 'Tuesday', all about the adventures of frogs which fly. The children did a variety of tasks on the book, following the Literacy Counts format and produced some fabulous recounts of their own. We were all amazed at the high standard of work produced and they should feel very proud of themselves.

St Elisabeth's Weekly Superstars

Class	Good Behaviour	Top Learner	Why chosen
N	Steven	Abeera	For super counting and recognising all numbers to ten.
RW	Layton	Scarlet	For trying hard in everything!
RB	Lily	Aleena	For a fantastic first week!
1S
