Dear Parents/Carers,

What an historic week for our Country this week with the England football team making it through to the finals of the European Cup - it really has lifted everyone's spirits in School.

On Monday, all the children are welcome to wear their England football kits, t-shirts etc. or anything red, white or blue. We intend to celebrate England winning on Sunday and if they don't, celebrating the fact that they made it to the final for the first time in 55 years.

Have a fantastic weekend and let us keep our fingers crossed for a win on Sunday!

Kind regards

Mrs Burrows.

## Nursery

This week has been another busy week in Nursery. We have continued to learn about the weather. This week, we looked closely at windy weather. We talked about how the wind makes the trees move, leaves blow, boats sail and kites fly. We made our own kites and learnt about the 'k' letter shape in phonics. In Maths, we have continued our work on ordering numbers. Well done Nursery!

## Year 3/4

Year 3 and 4 are learning about light in Science. We have learnt that we need light to be able to see by completing an investigation using torches. We also learnt about how light helps us to see reflections in mirrors.

## Year 6

Year 6 have been looking at the effect of changing the setting for a traditional tale. We read the story, 'Snow White in New York' and the children then wrote the initiating event of this story. The children worked incredibly hard on using dialogue and creating the correct mood by making effective vocabulary choices.

## ASSESSMENT WEEK

Well done to everyone for trying their best. You really are  
'Superstars!'
