Dear Parents/Carers,

I would like to start by thanking all of you who have already kindly donated to Re:dish for Harvest. If you would still like be involved, please bring any donations to school and we will pass them on to the Church next Thursday 14<sup>th</sup> October.

Today has been a great success with all the children wearing yellow and participating in various activities which have promoted excellent mental health and well-being.

Let's hope the fantastic weather continues and you all have a fabulous weekend.

Kind regards

Mrs Burrows

## EYFS- Nursery

Nursery have had great fun exploring the outdoors these last two weeks! We have been discovering the change in the season in the Forest School garden and negotiating risks in the playground by learning to use the fireman's pole!

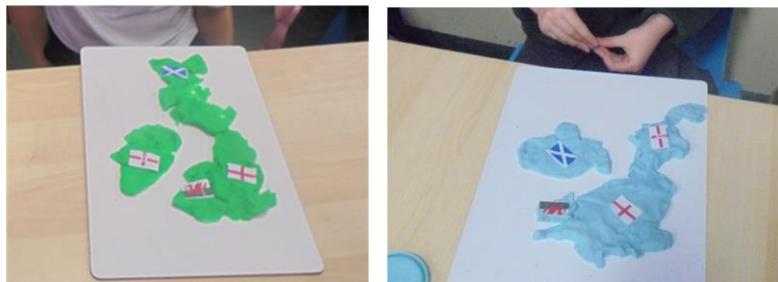

## Reception

This week in Reception we have been learning how to look after ourselves and others. We discussed the importance of brushing our teeth, eating a balanced diet and washing our hands! We discovered how easy it is for germs to travel by putting glitter on our hands and passing it around the circle!

## Key Stage 1

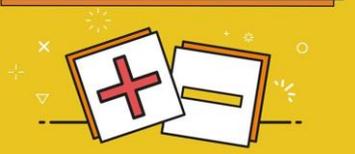

Year 1 and Year 2 children have started their Geography topic all about the UK. We have enjoyed creating the shape of the UK using playdoh and learning about the four nations. We found it tricky to shape the playdoh to look just like the UK but were really pleased with what we created! The staff in KS1 are so impressed with the homework that has been brought in so far too!

## LKS2

In Year 3, 3/4 and 4 we have been enjoying looking at our new text type - a newspaper report. We have enjoyed pretending to be a reporter and interviewing an eye witness. In Maths, we have been working hard on addition and subtraction. We are continuing with this over the coming weeks. Today we have enjoyed dressing in yellow and completing activities linked to Mental Health. We are really excited about our Roman workshop next week.

**Maths:** Addition and subtraction

## MESSY CHURCH

All children are most welcome to come along to 'Messy Church' at St Elisabeth's, on the first Sunday of every month between 3.30pm - 5pm. They will share a Bible story, participate in craft activities, sing songs and share a 'messy' meal. The cost is £1 per child.

Angie and Alison would really love to see you there.

## Mental Health Day

All the children had a fabulous day enjoying waving and smiling at their friends, telling jokes and making each other laugh!

KS2 drew around their hands on yellow paper then wrote a message of support for each other - these have been displayed around School.
