Dear Parents/Carers,

What a lovely end to the week as the whole school was shining brightly in a sea of yellow! Everyone looked fabulous!

All the children have appeared to enjoy the 'Anti-Bullying' activities and they have all received a wristband, a pencil and a sticker.

Next week we will be launching our 'Eco-School' project inviting all the children to apply to be an 'Eco-Warrior'.

Thank you for your on-going support.

Have a great weekend!

Kind regards

Mrs Burrows

Early Years

This week the children have been taking part in World Nursery Rhyme week. They have been learning lots of different nursery rhymes and performing them to their friends. We used playdough to create our own Incy Wincy spiders and we also created some fluffy sleeping bunnies!

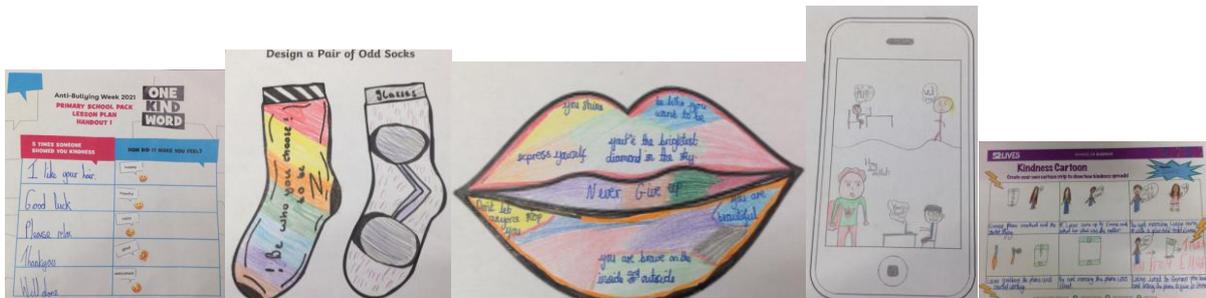

In LKS2 the children have been working hard to compose diary entries to record their experiences of seeing a snowy owl and capture a photo or two. They have produced lovely pieces of work! We are now looking at persuasive letters and putting their powers of persuasion to the test.

This week we have also moved onto our next Maths topic, which is Multiplication and Division. The children will be learning these key skills in a variety of ways.

We have all enjoyed celebrating Anti-Bullying Week with the theme One Kind Word. From designing odd socks, taking part in class discussions and making pledges, we have all had the opportunity to celebrate kindness.

In UKS2, we have celebrated anti-bullying week focusing on the theme 'one kind word'. We designed a pair of socks to show our differences, we thought about kind words we can say to others and how we feel when people say kind things to us and considered how kindness spreads. We also spoke about cyber bullying and how we can help to prevent this!

ANTI-BULLYING WEEK 2021

All the children have been involved in 'Anti-Bullying' Week, this week, participating in various activities including poetry writing, designing of posters and creating comic strips. On Monday, it was fantastic to see the diverse range of odd socks! In addition, we all tried to say 'One Kind Word' every day as kindness leads to kindness.

Just to let you know that next week we will be launching 'Eco-School' project as part of looking after God's world. There will be Eco-Warriors whose role will include encouraging all of us to look after our school ...and planet.

BIRTHDAYS

Happy Birthday
to

Ryley
Harry
