Dear Parents/Carers,

I hope you all enjoyed the Christmas performances in School and Church this week. The children were a credit to you and the school from learning their lines, singing carols and acting. And I would like to say 'thank you' to all the staff who worked so hard to make it all happen.

Today, all the children had a lovely Christmas dinner in the decorated hall, singing along to the festive music. And, they all looked fabulous in their Christmas jumpers!

Have a great weekend!

Kind regards

Mrs Burrows

## Reception

This week in Reception we have been very busy writing Christmas cards! We really enjoyed walking to the local post box to post them and looking at all of the Christmas decorations in the shop windows. A special well done to all of the children for being super sensible on the walk!

## LKS2

This week Year 3 and 4 enjoyed a fantastic lesson with our PE Coach Luke where we combined our learning in PE and Science. The children learned about nutrition and what makes a balanced diet. We also learned all scientific words for the five key food groups and what each food group does to help our bodies. Lastly, we finished with a jump test and we discussed how a balanced diet can give us more energy, which means we can be fitter and healthier.

## UKS2

This week the Year 5 and 6 children have been practicing the songs for our Christmas Carol Concert. The children in Year 6 have also worked hard practicing their words and acting roles to retell you the story of the birth of Jesus. We can not wait to live stream it for you on Tuesday! We have also been really busy making our lovely cards and calendars to bring home to you all.

## Christmas Celebrations

We hope you enjoyed the celebrations this week with fabulous productions from EYFS and KS1.

Next week it will be KS2's turn!

**MERRY CHRISTMAS!**

It's nearly Christmas!

How exciting ...

watch out for a very special visitor and his helper who may be in school next week!
