Dear Parents/Carers,

We have had a lovely week in School this week, with all the children celebrating 'World Book Day'. We had the Gruffalo in School, Gansta Granny and many more! It was fantastic to see so many different characters.

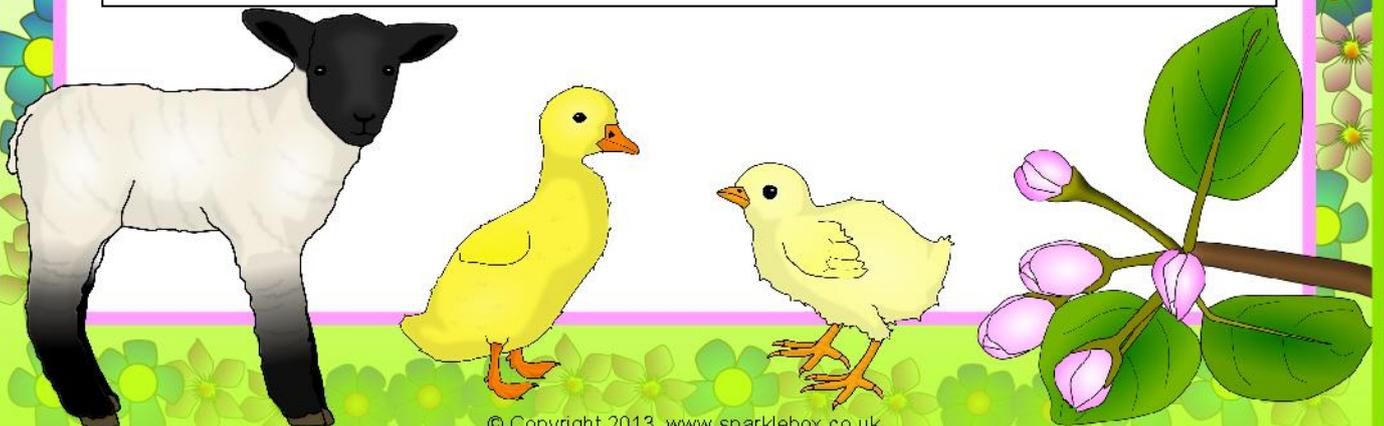

Many children continue to be involved in our 'Eco-Schools' project with many designing posters to encourage us all to look after our environment.

The Reverend Angie Stanton has conducted a whole school assembly this week where she gave love and best wishes to those people around the world who are suffering.

Have a great weekend.

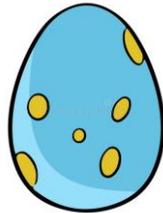

Kind regards

Mrs Burrows

Reception

Reception have had a fun filled start to the new term. We discovered a mysterious pair of footprints and a large egg which we decided must belong to a dinosaur! As a class we discussed what we wanted to find out about dinosaurs including where they lived and why they disappeared!

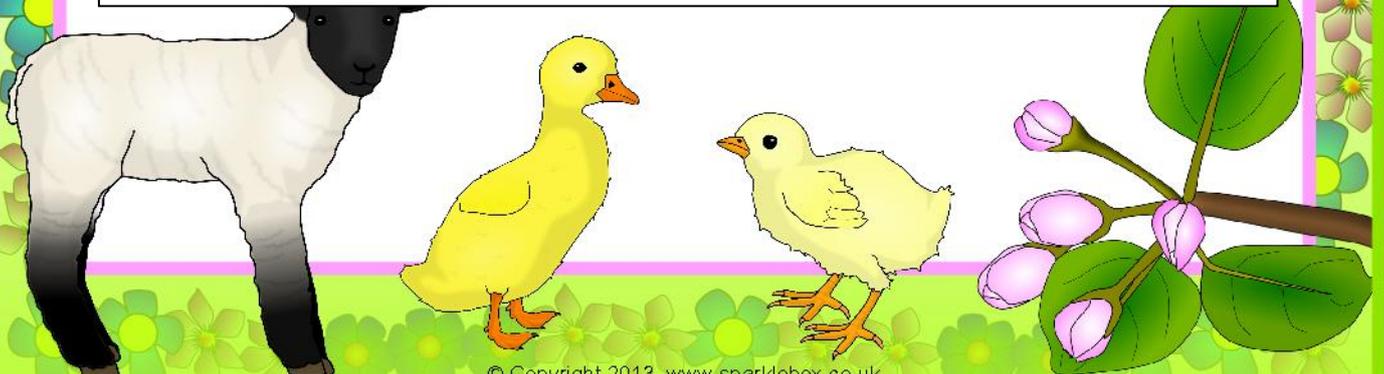

Year 3/4

This week in Y3/4, we have been looking at the character descriptions of mythical beasts. The children have discussed what makes a good and a bad character when writing and will hopefully use this information when they write their own character description soon.

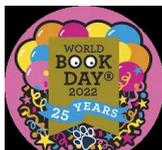

UKS2

This week, our Y6 children have started SATs practice in the hall. We are so proud of the positive mental attitudes they have all shown! In our Literacy lessons, we are also enjoying writing a balanced argument around the topic 'should mobile phones be banned in schools?' we have thoroughly enjoyed creating arguments for and against this and linking them all together using formal language and logical connectives!

World Book Day

On Thursday, it was fantastic to see so many children come to school in amazing costumes to celebrate all things books. During the day the children all had an opportunity to take part in a book related activity including making bookmark, creating story settings and designing costumes for characters. Some classes also watched a live broadcast from The Cambridge Theatre in London - home of the musical, 'Matilda'.

Eco-Schools

Well done to Mason in Year 1/2H for his excellent poster encouraging us to save trees, electricity, water and fuel. It is wonderful to see how engaged the children are, in becoming an Eco-School.

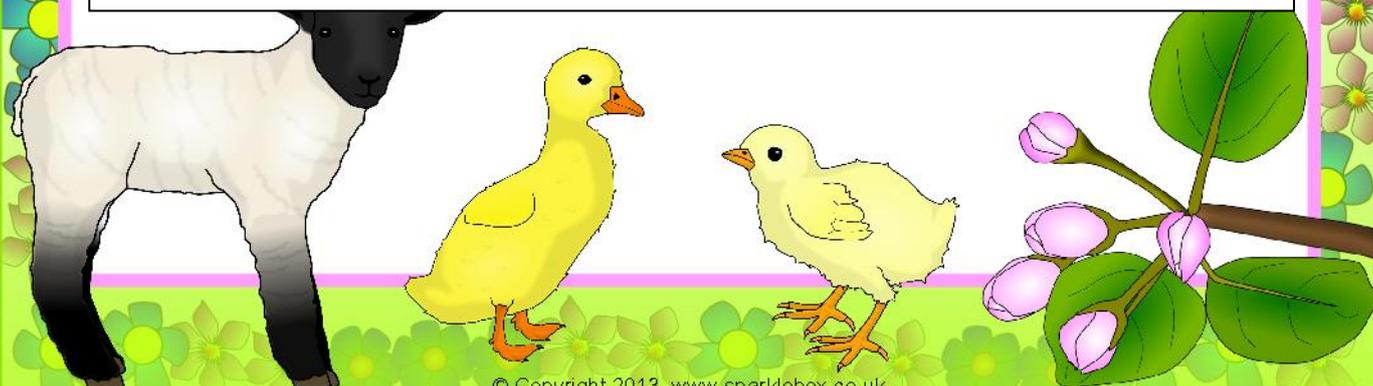

**HAPPY BIRTHDAY
