Dear Parents/Carers,

We have had an excellent week in school with the focus being on Reading. I must say I am extremely impressed with the amount of reading your children do in and out of school. I hope that those who received their 'reading certificates' today are very proud of themselves - well done!

Next week, is SATs week for Year 6 and I would like to wish them lots of luck and look forward to seeing them bright and early on Monday morning for breakfast.

Hope you all have a lovely weekend.

Kind regards

Mrs Burrows

Reception

This week, Reception have been reading instructions on how to plant a seed. They worked together as a team to sequence the instructions and even had a go at trying to follow these instructions to plant their very own seed. Reception have each planted their own seed and have made predictions about what they think the seed will grow into.

Key Stage 1

We have been enjoying our topic all about healthy living. We have learnt how to keep ourselves healthy. We have written a diary to show how we keep healthy daily, sorted food onto a healthy plate to show a balanced diet and learnt about the importance of exercise. Year 1 and 2 have also enjoyed spending time in the Forest Area keeping it tidy and planting new seeds.

Nursery

This week we have been finding out lots of interesting facts about octopus! We have watched them change colour and camouflage themselves and even watched their babies hatch out of the eggs!

At the 'Making Table' we have created tentacles with 8 printed suckers ready for the giant purple octopus we are going to make! This is the octopus from the story 'The Rainbow Fish' who offers advice and reminds everyone to be kind and share.

Can you find out any more facts to tell your friends about octopus?

Year 5 and 6

The children in all 3 classes have been using some of their PSHE lessons to work on the Forest Area. They have been weeding, planting and raking to enhance their allocated growing area. The results are looking great!

Continued thanks to all our families who have donated plants and seeds. We really appreciate your kindness in helping to improve our School grounds.

Year 3 /4 are enjoying taking Hagrid home. The Home Writing book is proving very popular with the class and they are all eager to have an adventure with Hagrid. So far, he has enjoyed playing in the garden, eating tasty morsels and celebrating birthdays and Eid. We are all excited to hear what adventures he will go on next. Please remember to send the Writing bag back to school the next day, so all the class can hear about his adventures.

HAPPY BIRTHDAY!

Archie
