Dear Parents/Carers,

I would like to start by congratulating our Year 5 children on their excellent participation in the Service at Manchester Cathedral yesterday. All the children sang beautifully, spoke clearly and represented our school extremely well. We are all very proud of them.

The writing bags have been a great success so thank you to all those who have participated - they make great reading!

I hope you all have a lovely weekend and just to remind you that we finish for half term, next Friday, the 27th May.

Kind regards

Mrs Burrows

Writing Bags

The introduction of writing bags this term has been a huge success.

Thank you to all the parents/carers who have written in the book, and for encouraging your child to do the same.

Well done, everyone!

KS1

Year 1 had a great time in their gardening area this week. They helped to weed and turn over the soil and even planted some wildflower seeds!

We would like to say a big well done to the Year 2 children for showing resilience and determination this week whilst completing their assessments! Another two to go next week!

LKS2

This week, LKS2 have worked cooperatively in the gardening area. They have prepared the growing areas before planting seeds.

We have fostered a love of nature in Nursery through our 'bird watch' window, planting of flowers and investigation of the creatures we find in the garden. With this in mind, we have designated the garden in front of Nursery as our wildlife zone. The grass will be kept long to encourage insects and wild flowers to grow and we will be spending time enjoying the, hopefully, warmer weather with outside story time and 'picnic' snack. To help us look after this area, please do not let children ride their bikes over the grass or pick the flowers. Thank you

Reception

This week in Reception we have been learning all about odd and even numbers. We used the 'Numicon' to help us sort odd and even numbers and we even designed our own odd and even monsters!

Year 6

We are so proud of the hard work and positive mental attitudes of our Year 6 children towards their SATs last week! Each one of them did their best and worked so hard! Well done Year 6!
We enjoyed saying 'goodbye' to SATs and celebrated by enjoying 'SATSonbury' last Friday!

HAPPY BIRTHDAY!

Lola

Kaitlyn

Hayah
