Dear Parents/Carers,

Well what a fantastic end to this half term with our Jubilee Celebrations which all the children, and staff thoroughly enjoyed.

In addition, the children all said their 'goodbyes' to Reverend Angie Stanton in a lovely service in Church yesterday. Angie received beautiful hand-made cards from each class with some thoughtful poems inside.

I would like to wish you all a fabulous half term holiday with your families and look forward to seeing all the children back on Monday 13<sup>th</sup> June.

Kind regards

Mrs Burrows

## Jubilee Celebrations

What a fabulous day of celebration today in School - all the children looked absolutely amazing! They loved their 'jubilee' picnic and all the 'jubilee' activities they were involved in.

## Nursery

"We understand and respect the roles of people who help us."

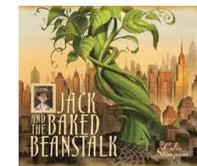

PCSO Khan came to visit us to talk about his job. Our school is on his 'beat'.

We had great fun trying on some of his uniform and looking at all of the equipment he needs for his job.

## Key Stage 1

We have had a very busy final week of this half term and the children have wowed us with their writing. Year 1P have written amazing reports about the 'Wild Things' and 1/2H and 2K have written fabulous twisted narratives based on Jack and the Beanstalk. Well done to Year 2 for completing their end of KS1 assessments!

## Reception

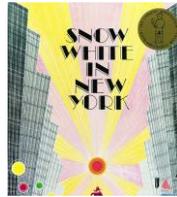

This week in Reception we have been very busy preparing for the Queen's Jubilee! We have learnt all about the Royal family, created our own crowns and held our own celebrations in the role play area!

## Upper Key Stage 2 - Year 5/6M

All of the children have worked incredibly hard this half term and we are very proud of them.

This week, the children have been working hard writing diary entries as if they were Snow White's stepmother. The twist in their version was that the story was set in New York so Snow White was poisoned by a cherry within a cocktail. All of the children showed that they could get into character, write in 1<sup>st</sup> person and use emotive language.

The Year 4's in Y3/ 4, are becoming Scientists. They have set up an experiment using eggs in different solutions - coke, apple juice, Fanta, Vimto, milk and water. They have to monitor any changes in the eggs over 3 days and complete this twice a day. This information will be taken to a Science Fair, where other schools will be sharing their experiments and results.

## HAPPY BIRTHDAY!
