Dear Parents/Carers,

What a great week in the sun!

The children have participated in many exciting activities this week - please read the following pages for an insight into some of the lovely things they have been doing.

'Peace Day' was a huge success and we raised £82.50 for the Ukraine so thank you very much for your support.

I hope you all have a lovely weekend.

Take care.

Kind regards

Mrs Burrows

Nursery

We have been really enjoying exploring and experimenting with sand, water and large construction materials this week. The children have not only followed their own interests but have worked collaboratively in small groups to solve problems and extend the narrative of their role play. It is always exciting to see the children grow in confidence and work together as a 'team'!

Key Stage 1

Year 1 and 2 have been very busy. We enjoyed 'Peace day' last Friday and completed some activities all about peace. In Maths, we have been busy learning all about number. We have done lots of counting backwards, learning times tables and partitioning numbers into tens and ones. Year two have been partitioning numbers into hundreds, tens and ones and in different ways. We have also enjoyed finding fact families. The staff in KS1 would like to say a huge well done to all the Year 1 children for completing their Phonic Screening Check!

Reception:

Reception have been busy this week learning about different mini beast habitats. Reception went out into the forest area and tried to find where minibeasts were hidden. We managed to find some worms and sang some nursery rhymes to the worm!

Eco-Schools

A big thank you and well done to 3 children in our School who gave up their time to look after the local area.

Sam in Year 5LC, Harry in Year 4B and Libby in Reception decided to clean up their alleyway. They collected a full bin bag of rubbish and another bin bag full of weeds.

Well done for your contribution in looking after our World.

UKS2

Last Friday, all of the children enjoyed completing activities for Peace Day. In Year 5/6M, the children looked at the symbols of peace and discussed why and how they had been created. The children then created symbols of their own and placed them onto card so they could be hung on a peace tree.

The children in LKS2 had an artistic welcome back to school last week. The first two days back were filled with art, looking at Steven Brown's McCoo family and then sketching their own design. They then printed animal foot prints around the material to create a border. With their animal sketch drawn in the middle of the material, they then used bright fabric paints to colour in their animal in the style of Steven Brown. We are all fans of the work by Steven Brown.

Sketch the design

Print the border

Paint in the style of Steven Brown

HAPPY BIRTHDAY!
