Dear Parents/Carers,

We have all had a fantastic 'Wellbeing Week' with the children being involved in many activities with them particularly enjoying watching their parents' and teachers' getting involved!

I would like to thank all those who contributed to the collection for the charity Reuben's Retreat; we raised a total of £175.

Please be aware that there is a predicted heatwave on Monday and Tuesday of next week and we are taking a number of precautions to ensure the health and safety of our children; these are all in the parent mail sent out today.

I hope you all have a lovely weekend.

Kind regards

Mrs Burrows

Eco-Schools

Thank you for the wonderful bird feeder created by one of our families.

We have no doubt that it will attract lots of birds!

KS1

KS1 have had a brilliant well-being week doing lots of different activities. We really enjoyed going out gardening and also learning how to Hula Hoop with Julie Hoops. We had lots of fun!

Reception

Reception have been very busy this week! As well as all of the well-being activities, we have been learning all about bees and frogs! We have also been rewriting the story of 'The Bad-Tempered Ladybird!'

Year 5

Our favourite part of the week was Sport's Day and the 'Tug of War' especially when the parents and teachers joined in!

Nursery

This week we have been finding out facts about the sun. Nursery know that the sun is a star, the earth moves around the sun, it is made up of lots of gases and it is very, very hot! We also think it is rather beautiful and have been using marbling inks (with added sparkle, sand and paint!) to produce our own suns.

If your children are interested in Space you can check out the NASA photos from the new James Webb telescope here:

Well-Being Week

The children have thoroughly enjoyed this year's well-being week taking part in various activities.

HAPPY BIRTHDAY!

Harley

Jaxson

Daniel

SUPERSTARS

	Good Behaviour	Reader of the week	Top Learner	
NURSERY	George	Harley	Penelope	For her super creative work - both independent and adult led.
RD	Solomon	Joseph	Isabella	For trying really hard with her story writing.
RB	Jaxson	William	Abeera	For being a supportive friend during sports day!
