Dear Parents/Carers,

Well what a week!

It started with scorching temperatures and ended with rain - it could only happen in England!

The Year 6 children on the residential arrived safely and have had an amazing time; I think their teachers have too! I am sure we will hear all about it when they are back.

Only two days left of this year and I would like to remind you of the 'party day' on Tuesday when your children do not have to wear uniform and they can bring a snack and drink to enjoy in the afternoon.

Have a lovely weekend!

Kind regards

Mrs Burrows

## Reception:

Reception have had a fun week enjoying the sunshine. We have been learning about staying safe in the sun. Reception designed their very own outfits to wear during the hot weather. All the children ensured their design included a hat, sun glasses and suncream!

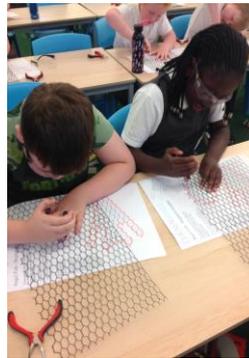

## KS1

KS1 have had a brilliant week learning all about Stockport in the past during their History lessons. We have learnt about how Stockport is famous for the Hat works. We have enjoyed looking at old photographs and old videos to see what it was like. We also learnt how hats were made. We are very excited to design and have a go at making our very own hats!

## LKS2 news

This week, LKS2 enjoyed a wonderful workshop in school where we used a net of a fish and chicken wire to make a sculpture. Then we decorated the fish with different coloured tissue paper.

## Nursery

Well that certainly was a hot week!!! Nursery have been continuing their weather work by looking at rainbows. Whilst we haven't had sun and rain on the same day it's definitely been a mixed week for the weather!

We have been 'making' rainbows using CD's to replace the rain drops and torches to replace the sun. We found it very exciting and have loved using the new words indigo and violet when describing the colours.

### Year 6

Our Year 6 have had a fantastic three days on their residential trip at Robinwood. We are sure you will hear all about it when they are home!

### Year 5 and 6

The Year 5 and 6 children had an amazing time during their Robotics workshop. They constructed models using lego and then created programs in order to make their models move! We were so impressed with their outcomes.

**HAPPY BIRTHDAY!**

**Penelope**

**Ryan**

**Oscar**

**Harry**

**Lewis**

**Frankie**

**Delilah**

**Maeson**

# SUPERSTARS

	<b>Good Behaviour</b>	<b>Reader of the week</b>	<b>Top Learner</b>
