Dear Parent/Carer,

I would like to start by thanking all the parents who managed to attend Mrs McDermott's Coffee Morning which I feel was a great success.

From the meeting, it was decided that Mrs McDermott would begin a 'Wellbeing' After School session every Thursday, starting on 28<sup>th</sup> September, (letter sent previously with details) for both parents and children. I do hope that you can attend.

In addition, you are most welcome to join our first PTA meeting of the year which will be held on Thursday 5<sup>th</sup> October at 2pm.

Have a lovely weekend!

Mrs Lancashire

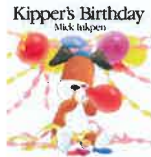

## EYFS

This week the children have been working in their colour groups for Maths and English. In Maths, the children have been using their sorting skills. They have sorted colours, shapes and numbers.

In English, we have read and discussed 'Kipper's Birthday'. We were amazed by all the information that the children remembered!

In Phonics this week, we have been focussing on the sounds - s, a, t and p.

Another busy week in EYFS!

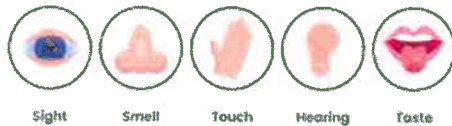

## Key Stage 1

In Science, this week KS1 have been exploring our 5 senses and linking them to the correct parts of our body.

In Geography, they have been looking at map symbols and matching them to the correct images, then they added symbols onto a map of our local area.

In Year 1, the children have been looking at the four parts of a friendship narrative and planning their own to write next week.

In Year 2, children have been looking at extended noun phrases from their text 'The Bog Baby', such as; 'strange, little creature'.

Sight

Smell

Touch

Hearing

Taste

## Lower Key Stage Two

In Lower Key Stage 2, we have been working scientifically to explore sound and how it travels through different mediums. We worked in groups to investigate how different materials create sounds with different pitches and how far these sounds can travel.

### Upper Key Stage 2

In Upper Key Stage 2 we have been planned and begun our investigation into the conditions needed to grow mould. We have taken a piece of bread and placed it in a plastic bag. Each group has chosen a variable to change. Some will be kept in warm conditions, some in cold. Others will have added moisture or kept in the dark!

What will the results be?

### ECO SCHOOLS

This week focuses on recycling.

Do you know what this symbol means?

Recycle right?

**NO!**

It means that the product might be recyclable where you live.

Particularly with plastics, you need to look for

to be sure you can recycle the item at home.

## **BIRTHDAYS**

**Happy Birthday**

**to**

**Kyren**

**Qais**

**Ephraim**

**Hayyan**

**Joseph**

**Riley**

**Abdullah**

**Have a lovely day!**

# SUPERSTARS

|           | Good Behaviour | Reader of the week | Top Learner           |   |
|-----------|----------------|--------------------|-----------------------|---|
| Year 1    | Penelope       | Ralphie            | Iyla                  | For super answers during maths questioning                              |
| Year 2B   | Uthman         | Jacob              | Abdullah              | For excellent presentation and effort!                                  |
| Year 2D   | Anayah         | Evie               | Archie                | For wonderful work in maths.!   |
| Year 3K   | Rahmatullah    | Ava-Grace          | Aleena                | For her fantastic work during our investigations of the Roman Empire!   |
