Dear Parent/Carer,

What a fabulous week in school again!

Thank you to all the parents who attended our phonics meeting and our first PTA Meeting - we really value your contributions.

The PTA have lots of great ideas for the future which we are all excited about; we will let you know all about them in due course.

This week, the children really enjoyed their time with the author who visited and I hope they enjoy reading her books too!

Next week, we will be celebrating National Poetry Day where all the children will become familiar with many poems.

Have a lovely weekend!

Best wishes

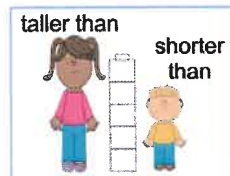

Mrs Lancashire

EYFS

This week the children have enjoyed writing a list of food for Kipper's Birthday. They used their phonic sounds to write the initial letter. In Maths, the children have been hunting outside and around School for things that are taller than and shorter than themselves.

The children really enjoyed the author visit on Thursday. How exciting!

We look forward to welcoming parents/carers to Kipper's Birthday party on Friday 6th October.

Key Stage 1

This week the children had the opportunity to take part in a handball taster session! The children thoroughly enjoyed the lessons and learnt lots of new skills. The children have all been invited to a handball open day this weekend!

Where : Stockport Academy, Heathbank Road, SK3 0UP

When : Sat 30th September 2023

Time : 10-11am / 2-3pm

How Much : FREE

EVERYONE WELCOME BETWEEN AGES 5-12

Lower Key Stage 2

In Science, the children have enjoyed investigating sounds over distance.

The children have used super listening skills to see how far away an instrument is when they can't hear it anymore. This has helped develop their understanding of how sound travels in waves through a medium, such as air to our ears and it can travel over quite a distance!

This week the BBC have announced their 500 words story writing competition. We are having our own competition in school. Please see the letter which was sent to all parents via parent mail or speak to your child's class teacher!

AUTHOR VISIT

It was wonderful having the Author Jane Preece visit our children this week. The children thoroughly enjoyed their reading workshops and learning all about Jane's books! Jane was blown away with our children's behaviour and enthusiasm!

ECO SCHOOLS

Following our tip last week about recycling at home, and in particular, plastics, this week we are looking at recycling plastic.

Many forms of plastic can be recycled and everyone must do their bit to reduce the amount of plastic waste going to landfill.

Our local Morrisons currently recycle these plastic items. There is a large recycling bin in store:

Plastic carrier bags, plastic bread bags, plastic cereal bags and inner cereal bags, plastic wrappers and ring joiners from multipacks of cans and plastic bottles, plastic wrappers from toilet roll and kitchen towel packs, plastic freezer bags, plastic magazine wrap, thin bags used for fruit and veg and bubble wrap.

SO MANY PLASTIC THINGS!

This will reduce your home waste and this small act of recycling really makes a BIG difference!
