Dear Parents/Carers,

We have enjoyed another exciting week in school, with some children enjoying handball with a coach, some children participating in PE with Harry, and others being lucky enough to visit The Etihad Stadium for a football festival.

I would like to thank you for attending our Parents' Evenings which have proved to be extremely successful. If you have not managed to speak to your child's Class Teacher, please arrange an appointment for after half term.

I hope you all have a lovely break and I look forward to seeing you all on Monday 19<sup>th</sup> February.

Best wishes

Mrs Lancashire

## EYFS

The children had a wonderful time when Mr Reddy, our Maths friend, visited the classroom on Wednesday. Nursery explored the number 4 and Reception concentrated on counting to 20. We had great fun singing number songs with him too. We hope that you have managed to watch our videos on Seesaw.

This week, in P.E, we have continued with gymnastics. We were all very excited to get the apparatus out.

Thank you for your continued support and we hope that you have a lovely half term break.

## KS1

In Art we have been creating our own 2D landscape paintings inspired by Beatrix Potter and Georgia O'Keefe. This week we have completed and evaluated our final designs. We have made a display in the KS1 classroom to showcase the children's beautiful work!

## LKS2

This half term we have enjoyed creating fantastic narratives and instructional guides around Norse mythology. In Year 3 we have been writing about being mischievous!

## Upper Key Stage 2

This half term Year 5 and Year 6 have been enjoying their Geography topic about Spain. They have learnt to identify shared land borders, cities, the effect of food miles and drought on the region of Andalucía. In addition, they have produced an information leaflet and a newspaper article. The children are also working hard to recall geographical facts about the UK and world including capital cities and continents.
