Dear Parents/Carers,

Well what a week!

I would like to thank you all for your unwavering support of our school which was noted by OFSTED. Our special visitors commented on the relationships between staff, children and parents. We truly are a family and our school is at the heart of it. I would also like to thank all of the dedicated staff for their hard work and commitment to ensure the very best for your children.

Finally, I would like to thank all of the children whose behaviour and attitude to learning was as wonderful as always; your children are a credit to you.

I hope you all have a wonderful weekend.

Best wishes,

Mrs Lancashire

### EYFS

This week in EYFS the children have had the opportunity to demonstrate their excellent behaviours and attitude to learning to our special visitors. They showed our visitors their superb paintings of daffodils in which they were able to name their colours and shapes they had used. The children have developed their fine motor skills by threading Cheerios onto string in order to make bird feeders. We are incredibly proud of all of the children in EYFS and how they have wowed everyone who visited us.

### KS1

This week we have been busy learning about our local environment. We have been discussing where the best place for a bee hive in school would be. We discussed the difference between physical features and human features around Reddish.

In Science, we have been looking at the life cycles of different animals. This week, we explored the life cycle of a frog!

### LKS2

This week we have really got stuck into our learning about fractions. The children have been learning about mixed number and improper fractions. Can they tell you the difference?

In geography, we have been learning about rainforests and in particular, the four layers that make up the rainforest. Ask your children to strike a pose for emergent, canopy, under storey and forest floor.

WELL DONE!

## UKS2

This week, Upper Key Stage 2 have wowed our special visitors who came into our Maths, History and Music lessons. They saw how brilliantly the children behave and how hard they work. A number of children also spoke about British Values; what we do in PSHE lessons and protected characteristics.
