Dear Parents/Carers,

The children have shown a great attitude to learning this week with their assessments. We are very proud of them.

The children in Year 1 also had a fabulous trip to the farm.

We have also had a wonderful 'Comic Relief' day and can I say a big thank you for all of your donations to this worthwhile charity.

Have a lovely weekend.

Best wishes,

Mrs Lancashire

## EYFS

We have had a wonderful week in EYFS. The children in Nursery have been planting cress seeds and in Reception, the children planted pea pots. We are looking forward to watching them grow and then measuring them.

In English we have been planning and writing instructions about how to plan a seed.

We have also been learning about a path, pavement and road. We enjoyed looking at these in our local areas.

## Key Stage 1

The children in Key Stage 1 have had a very busy week! As part of our Science learning, Year 1 thoroughly enjoyed their trip to Sugar Brook Farm and Year 2 are looking forward to their trip to Smithills Farm next week!

In Geography, this week the children have been exploring aerial view maps to create their own map of the school grounds and surrounding areas.

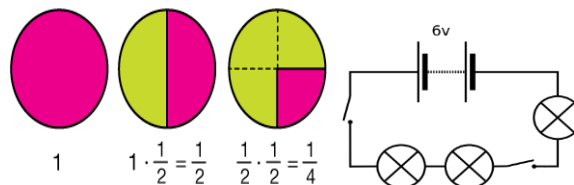

In R.E, the children have been learning about the Easter story and the Jewish festival of Passover.

## Lower Key Stage 2

It has been a tremendously busy week in Lower Key Stage 2. The children have continued learning about fractions, written their final Biography pieces, designed their moving toys in D&T and learned about conductors and insulators in Science. Plus, we've completed all of our Spring assessments!

Phew! What a week of learning!
