Dear Parents/Carers,

What a lovely week weather wise!

All the children have enjoyed the sunshine participating in many sporting activities including cricket, basketball and assault courses etc at lunchtimes.

The children continue to show excellent behaviour in and around school, with our visitors being particularly impressed with our Class Ambassadors who represent each class to a very high standard.

I hope you have a great Bank Holiday weekend and I will see you all again on Tuesday.

Best wishes

Mrs Lancashire

Well done!

EYFS

We have had another busy week in EYFS. The children have used their phonics knowledge to write sentences about the farm. We also learnt about where different animals on the farm can be found.

On Wednesday afternoon, there was great excitement as the children took part in their first outdoor P.E lesson. They thoroughly enjoyed it and showed great listening skills.

Well done!

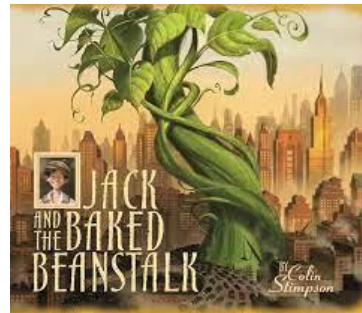

KS1

This week in Year 1 and 2 children have been writing their own stories based around 'Where the Wild Things Are' - Year 1 and 'Jack and Baked Bean' - Year 2.

WHERE THE WILD THINGS ARE

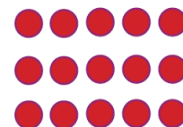

STORY AND PICTURES BY MAURICE SENDAK

In Geography this week we explored the different layers of the ocean and what creatures live there.

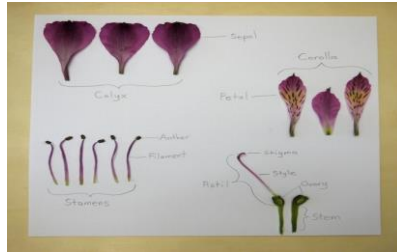

In Maths Year 1 have been exploring the beginning of multiplication, looking at equal groups and arrays.

Year 2 have been measuring using grams and kilograms.

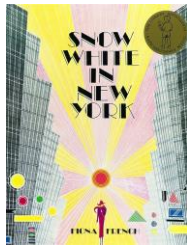

Lower Key Stage 2

This week the children have been working hard to create narratives. There has been some wonderful descriptive language and use of direct speech in the writing - we are very proud. In Science, we have been studying plants. Last week, we planted carrot seeds in different soil types. This week, we have been dissecting flowers to study the parts of a flower needed for pollination using magnifying glasses and microscopes to observe the flowers up close.

Upper Key Stage 2

This week, Year 6 have been planning a well-known story but setting it in a different location - Snow White in New York. They have enjoyed seeing how this change can alter the story with Snow White being abandoned in downtown New York by a bodyguard. She is rescued by seven jazzmen who perform in a local club. The children have wonderful imaginations and used exciting vocabulary to show their ideas. Well done, Year 6!

HAPPY BIRTHDAY!
